Dear couples,

Life is full of challenges and marriage is no exception.

With this in mind, 'Jien Magħkom Dejjem' wishes to stay in touch with you and engage you through a number of formative and informative events. We believe that ongoing formation is a fundamental necessity for a healthy, stable and long lasting relationship. Therefore, with pleasure we are sharing the programme of events that we have planned for the year 2016.

'Jien Magħkom Dejjem' is mainly composed of young couples and aims to accompany and support other couples especially those in preparation or during the first years of marriage. Meetings are held monthly on a Sunday morning and start with the celebration of mass. Typical meetings are normally conducted by guest professional speakers and usually take the form of talks, discussions and sharing of experiences. Apart from the monthly meetings, occasionally we also hold seminars, live-ins and other social activities.

If you would like to know more please visit www.jienmaghkomdejjem.org or call us on 79450839. You can also send an e-mail to jienmaghkomdejjem@gmail.com.

We really hope to see you.
